

On these pages we will start writing our logbook with photos from our bicycle trip in 2014. Our journey starts on the 4th of Feb 2014 with a long flight to Christchurch. We actually start pedalling on the 7th or 8th and will make a round-trip on the South Island and a small loop on the North Island. Underneath maps of the planned trip and a detailed view of the stages we have planned to do.
